Engaging, Targeted Instruction for your Child!

Classworks was founded in 1993. Since then, more than one million students have benefited from using this online learning resource. Classworks is an interactive, online supplemental program that gives teachers the power to make a real difference for every student. Classworks offers over 10,000 activities and more than 6,000 hours of interactive, standards-based instruction! Classworks delivers engaging, targeted instruction based on your child's individual needs.

If you would like to learn more about Classworks, visit their web site at www.classworks.com and/or watch an orientation video at <http://help.classworks.com> under the Classworks 101 tab.

Parents & Guardians,

We are very excited to have Classworks available for our students to work on at school and home! Your child can access instructional and practice activities assigned by the teacher. Please see the directions below to learn how to access this learning resource from home!

Look for the Classworks icon on your school's website or on the district's website. Click on the link and follow the steps below:

Please partner with us to help your child at home! 😊

- Provide a quiet learning environment for your child to work on Classworks lessons and activities each night.
- Share any concerns/questions with your child's teacher.
- Provide motivation and encouragement to ensure success.

Thank you for partnering with us to help your child succeed! Please contact your child's teacher if you have questions!
