DCHS HONORS CLASSES 2012-2013 DCHS HONORS/A.P./ACCELERATED GUIDELINES

HONORS, A.P., and ACCELERATED courses are designed to challenge our students above and beyond the regular curriculum. Students should expect a more strenuous program of study in each of these courses, which are designed to prepare students for post-secondary study. Students must have a signature of recommendation from their last content area teacher in order to be placed in one of these classes. DCHS is committed to offering an advanced curriculum in all areas in which a need exists. Registering for one of these courses is a commitment to stay in the class through completion. Courses must have adequate registration request in order to be offered.

In English Honors level students should be able to:

1. Write a coherent five-paragraph essay
2. Demonstrate a working knowledge of a thesis statement, attention getter, body paragraph(s), and conclusion.

In Math Accelerated students should have demonstrated:

1. A minimum of "90" on all tests (first time tested)
2. A minimum of 830 on CRCT Math section
